AT THE MAGIC MIRROR

Open on our *first anniversary*

Give us a little piece of tonight
to read a year from now.

Take a photo at the mirror. Pick a card, write us a note
and sign your name. Leave it in the envelope or box.

We promise to wait a whole year.

FROM OUR WEDDING NIGHT

Look at us.

A photograph to come back to.

Our photo

Who’s in the picture?

What was happening just out of shot?

For the two of you

01

Before the wedding

Print on A4 at actual size (100%), single-sided. Put the first page in a frame. Print extra copies of page two and cut along the centre lines to make four cards per sheet.

02

Beside the mirror

Set out the cards, pens and a large envelope or lidded box. Cut out the label below. Add your dates and stick it to the front.

03

After the last photo

Seal your messages. If you have a print, use photo corners to add it to page three. The guides fit a landscape 6 × 4 in print. Smaller photos and strips can sit in the middle.
